Why a second *residency or citizenship*.

A second passport is freedom — of movement, of opportunity, and of security for the people who matter most.

Global Mobility

Visa-free access to scores of countries — saving priceless time for business people worldwide.

Business

New opportunities open in the host country, with freer travel for trade and expansion.

Tax Management

Advantageous structures help investors manage and optimise their wealth more effectively.

Family

Education

Security

Most programmes extend to spouse and children — world-class healthcare, education & lifestyle.

Access to the world's best schools — often at domestic rather than international tuition.

A stable, peaceful home base — invaluable insurance against political uncertainty.
